

10.24KWH Stackable Lithium Batte

Welcome to buy 10.24kwh Stackable Lithium Battery from us. Every request from customers is being replied within 24 hours.

10.24kwh Stackable Lithium Battery

Olaite as a professional high quality 10.24kwh Stackable Lithium Batte manufacturer, you can rest assured to buy 10.24kwh Stackable Lithium Batte from our factory and we will offer you the best after-sale service and timely delivery.

The 10.24kwh stacked lithium energy storage battery use long working life LiFePO4 cell, high performance BMS to protect and manage the battery system.The max parallel is 15pcs,free combination for the capacity and meet all kinds of demand for home/industry

10.24kwh Stackable Lithium Battery Introduction

Model Number:	OBM-10.24kwh	Place of Origin:	Zhejiang, China
Brand Name:	Olaite	Battery Type:	LiFePO4
Capacity:	10.24kwh	installation:	Stacked installation, free combination
Application:	Solar Energy Storage Systems	Certification:	CE/FC//RoHS/ISO/UN38.3
Battery type:	Lithium Iron Phosphate Battery		
communication:	CAN/RS485/RS232/WIFI/4G/Blue tooth		

10.24kwh Stackable Lithium Battery Parameter (Specification)

Model	OBM-5.12kwh	OBM-10.24kwh	OBM-15.36kwh	OBM-20.48kwh	OBM-25.6kwh
Single moduel capacity	10.24kwh				
Moduel number	1pcs	2pcs	3pcs	4pcs	5pcs

Wenzhou Olaite New Energy Co., Ltd.

Address:Yueqing Economic Development Zone, Zhejiang Province

Tel:+86-15167879755

E-mail:olaite@cnolaite.com

Total capacity	5.12kwh	10.24kwh	15.36kwh	20.48kwh	25.6kwh
Standard voltage	51.2V				
Standard charging current	50a	100a	150a	200a	250a
Standard discharging current	50a	100a	150a	200a	250a
Humidity	20-60%				
Cooling way	natural cooling				
IP rating	IP21				
Warranty	5 years				

10.24kwh Stackable Lithium Battery Feature

- ※ Free combination, Stacked design, More beautiful/convenient
- ※ Max parallel is 15pcs with large capacity
- ※ Move freely with pulley

10.24kwh Stackable Lithium Battery Applications

- ※ Energy storage system, control system, alarm system, power system, database
- ※ Emergency lighting system, standby power supply, UPS
- ※ Telecommunication equipment, communication equipment, fire protection system, security system, power station

10.24kwh Stackable Lithium Battery Details

You can rest assured to buy 10.24kwh Stackable Lithium Battery from our factory and we will offer you the best after-sale service and timely delivery.

Stacked energy storage batteries use long-life and environment-friendly lithium iron phosphate batteries, and are equipped with high-performance BMS to effectively manage the cells. Compared with traditional batteries, they have more extensive performance and application advantages. Use A+ grade core, precision assembly, support customized BMS protection plate, use precision iron shell, and ensure the core capacity.

For Stackable Lithium Battery, everyone has different special concerns about it, and what we do is to maximize the product requirements of each customer, so the quality of our Stackable Lithium Battery has been well received by many customers and enjoyed a good reputation in many countries. Olaite New Energy Co., Ltd Stackable Lithium Battery have characteristic design & practical performance & competitive price, for more information on the Stackable Lithium Battery, please feel free to contact us.

OEM/ODM TO MEET ALL KINDS OF DEMAND

Honest marketing

1. we are manufacturer with production experience for more than 10 years
2. We own ISO, CE, ROHS, FCC, ETL, PSE certificates
3. We accept OEM and ODM
4. Our salesman is with rich experience in foreign trade and efficient work efficiency
5. High-quality after-sales service to solve all your doubts

FAQ

Q: Are you a directly factory or trading company?

A: We are inverter manufacturer.

Wenzhou Olaite New Energy Co., Ltd.

Address: Yueqing Economic Development Zone, Zhejiang Province

Tel: +86-15167879755

E-mail: olaite@cnolaite.com

Q: How does your factory do regarding quality control?

A: Quality is the priority. We always attach great importance to quality controlling from the start to the end. All our products have gained CE, FCC, ROHS certification.

Q:What can you do?

A:1.All of our products have proceeded aging test before shipment and we guarantee safety while using our products.
2. OEM/ODM orders are warmly welcomed!

Q:Warranty and return:

A:1. Products have been tested by 48hours continuous load aging before ship out.wanrranty is 2 years
2. We own the best after-sale service team, if any problem happens, our team will do our best to solve it for you.

Q:Is sample available and free?

A:Sample is available, but the sample cost should be pay by you. The cost of sample will be refund after further order.

Q:Do you accept customized order?

A:Yes, we do.

Q:What's the delivery time?

A:It usually takes 7-20 days after confirming payment, but specific time should be based on the order quantity.
