

### 12.8V 30Ah Energy Storage Lithium Battery Pack

You can rest assured to buy customized 12.8V 30Ah energy storage lithium battery pack from us. We look forward to cooperating with you, if you want to know more, you can consult us now, we will reply to you in time!

### 12.8V 30Ah energy storage lithium battery pack

Olaite is 12.8V 30Ah Energy Storage Lithium Battery Pack manufacturer and supplier in China. We have many years of experience the production of 12.8V 30Ah Energy Storage Lithium Battery Pack.

### 12.8V 30Ah energy storage lithium battery pack Introduction

Model Number:	OBT-3012	Place of Origin:	Zhejiang, China
Brand Name:	Olaite	Battery Type:	LiFePO4
Capacity:	0.384kwh	Standard Voltage:	12.8V
Suggested DOD:	80%	Cycle:	>2500 times
Cell:	new A+ cell	Product Size(cm):	19.5*13.3*17.1cm
OEM/ODM:	Acceptable	Battery Size:	18650

### 12.8V 30Ah energy storage lithium battery pack Parameter (Specification)

Model	OBT-30AH 12.8V(12V)
Capacity	0.384KWH
Normal Discharge Current	15A
Max Discharge Current	30A
Working Voltage	10-14.6V
Standard Voltage	12.8V
Max Charging Current	15A
Max Charging Voltage	14.6V
Circle Times	>2500 times

Size(mm)	195*133*171mm
Weight	3.2KG
Humidity	20-60%
Working Temperature	-20℃-60℃
IP Rating	IP65
Warranty	5Years
Battery Protection	Over-current/overvoltage/shortcircuit/lowvoltage/high temperature
BMS	Yes

## 12.8V 30Ah energy storage lithium battery pack t Feature

- ※High power, friendly interface, free combination
- ※High quality battery cell, precisecombination
- ※BMS customization supported
- ※IP67

## 12.8V 30Ah energy storage lithium battery pack Applications

- ※Energy storage system, control system, alarm system, power system, database
- ※Emergency lighting system, standby power supply, UPS
- ※Telecommunication equipment, communication equipment, fire protection system, security system, power station

## 12.8V 30Ah energy storage lithium battery pack Details

As a professional energy storage lithium battery pack manufacturer, you can rest assured to buy energy storage lithium battery pack from our factory and we will offer you the best after-sale service and timely delivery.

For energy storage lithium battery pack, everyone has different special concerns about it, and what we do is to maximize the product requirements of each customer, so the quality of our energy storage lithium battery pack has been well received by many customers and enjoyed a good reputation in many countries. Olaite New Energy Co., Ltd energy storage lithium battery pack have characteristic design & practical performance & competitive price, for more information on the energy storage lithium battery pack, please feel free to contact us.

# Shipment Safety Packing

## Honest marketing

1. we are manufacturer with production experience for more than 10 years
2. We own ISO, CE, ROHS, FCC, ETL, PSE certificates
3. We accept OEM and ODM
4. Our salesman is with rich experience in foreign trade and efficient work efficiency
5. High-quality after-sales service to solve all your doubts

## FAQ

**Q: Are you a directly factory or trading company?**

**A: We are inverter manufacturer.**

**Wenzhou Olaite New Energy Co., Ltd.**

**Address:** Yueqing Economic Development Zone, Zhejiang Province

**Tel:** +86-15167879755

**E-mail:** olaite@cnolaite.com

**Q: How does your factory do regarding quality control?**

A: Quality is the priority. We always attach great importance to quality controlling from the start to the end. All our products have gained CE, FCC, ROHS certification.

**Q:What can you do?**

A:1.All of our products have proceeded aging test before shipment and we guarantee safety while using our products.  
2. OEM/ODM orders are warmly welcomed!

**Q:Warranty and return:**

A:1. Products have been tested by 48hours continuous load aging before ship out.warranty is 2 years  
2. We own the best after-sale service team, if any problem happens, our team will do our best to solve it for you.

**Q:Is sample available and free?**

A:Sample is available, but the sample cost should be pay by you. The cost of sample will be refund after further order.

**Q:Do you accept customized order?**

A:Yes, we do.

**Q:What's the delivery time?**

A:It usually takes 7-20 days after confirming payment, but specific time should be based on the order quantity.
