48V 200AH Rack Model Energy Storage Lithium Battery

Olaite 48V 200AH Rack Model Energy Storage Lithium Battery have characteristic design & practical performance & competitive price, for more information on the 48V 200AH Rack Model Energy Storage Lithium Battery, please feel free to contact us.

48V 200AH rack model energy storage lithium battery

Wholesale Newest Hot Sale 48V 200AH Rack Model Energy Storage Lithium Battery made in China. Olaite is 48V 200AH Rack Model Energy Storage Lithium Battery manufacturer and supplier in China. The following is an introduction to 48V 200AH rack model energy storage lithium battery I hope to help you better understand 48V 200AH rack model energy storage lithium battery. Welcome new and old customers to continue to cooperate with us to create a better future together!

48V 200AH rack model energy storage lithium battery Introduction

Model Number:	OBS-200AH	Place of Origin:	Zhejiang, China
Brand Name:	Olaite	Battery type:	LiFePO4
Capacity:	9.6kwh	installation:	Stacked installation, free combination
Application:	Solar Energy Storage Systems	Certification:	CE/FC//RoHS/ISO/UN38.3
Controller Type:	MPPT, PWM	Mounting Type:	Ground Mounting
Output Frequency:	50hz or 60hz	Work Time (h):	3 hours
Battery type:	Lithium Iron Phosphate Battery		

48V 200AH rack model energy storage lithium battery Parameter (Specification)

Wenzhou Olaite New Energy Co., Ltd.
Address: Yueqing Economic Development Zone, Zhejiang Province
Tel: +86-15167879755

E-mail: olaite@cnolaite.com

Model	OBS-200AH 48V
Capacity	9.6KWH
Normal Discharge Current	200A
Max Discharge Current	200A
Working Voltage	37.5-54V
Standard Voltage	48V
Max Charging Current	200A
Max Charging Voltage	54v
Circle Times	>2500 times
Installation	Caninet or wall installation
Suggested DOD	90%
Monitor	WIFI
Size(mm)	484*590*178mm
Weight	77KG
Humidity	20-60%
Working Temperature	-20℃-60℃
IP Rating	IP20
Warranty	5Years
Communication	CAN/RS485/WIFI/4G/B-tooth communication
BMS	Yes

48V 200AH rack model energy storage lithium battery Feature

- ※Highpower,friendlyinterface,freecombination
- ※Highqualitybattery,precisecombination
- ※BMScustomizationsupported
- ※Thickshell,wellprotectionforinsidecells

48V 200AH rack model energy storage lithium battery Applications

- ※Energy storage system, control system, alarm system, power system, database
- ※Emergency lighting system, standby power supply, UPS
- ※Telecommunication equipment, communication equipment, fire protection system, security system, power station

48V 200AH rack model energy storage lithium battery Details

You can rest assured to buy customized 48V 200AH rack model energy storage lithium battery from us. We look forward to cooperating with you, if you want to know more, you can consult us now, we will reply to you in time!

www.cnolaite.com

The rack model energy storage lithium battery use long-life and environment-friendly lithium iron phosphate batteries, and are equipped with high-performance BMS to effectively manage the cells. Compared with traditional batteries, they have more extensive performance and application advantages. Use A+grade core, precision assembly, support customized BMS protection plate, use precision iron shell, and ensure the core capacity.

Olaite New Energy Co., Ltd is rack model energy storage lithium battery manufacturers and suppliers in China who can wholesale rack model energy storage lithium battery. We can provide professional service and better price for you. If you interested in rack model energy storage lithium battery products, please contact with us. We follow the quality of rest assured that the price of conscience, dedicated service.

SPECIFICATION

Model: 48V200Ah	Max Discharge Current: 200A
Size: 484*590*178mm	Standard Work Current: 200A
Capacity: 9.6KWH	Charging Voltage: 40.5~53.25V
Weight: 77kg	Standard Voltage: 48V
Material Of The Shell: metal shell	Work Temperature: -20°C~60°C
Material Of The Cell: LiFePO4	Material Of The Cell: New A+

Honest marketing

1. we are manufacturer with production experience for more than 10 years
2. We own ISO, CE, ROHS, FCC, ETL, PSE certificates
3. We accept OEM and ODM
4. Our salesman is with rich experience in foreign trade and efficient work efficiency
5. High-quality after-sales service to solve all your doubts

FAQ

Wenzhou Olaite New Energy Co., Ltd.

Address: Yueqing Economic Development Zone, Zhejiang Province

Tel: +86-15167879755

E-mail: olaite@cnolaite.com

Q:Are you a directly factory or trading company?

A:We are inverter manufacturer.

Q: How does your factory do regarding quality control?

A: Quality is the priority. We always attach great importance to quality controlling from the start to the end. All our products have gained CE, FCC, ROHS certification.

Q:What can you do?

A:1.All of our products have proceeded aging test before shipment and we guarantee safety while using our products.
2. OEM/ODM orders are warmly welcomed!

Q:Warranty and return:

A:1. Products have been tested by 48hours continuous load aging before ship out.warranty is 2 years
2. We own the best after-sale service team, if any problem happens, our team will do our best to solve it for you.

Q:Is sample available and free?

A:Sample is available, but the sample cost should be pay by you. The cost of sample will be refund after further order.

Q:Do you accept customized order?

A:Yes, we do.

Q:What's the delivery time?

A:It usually takes 7-20 days after confirming payment, but specific time should be based on the order quantity.
